

*And God said,  
"The rainbow is the sign of the  
covenant I am making between  
me and you and every living  
creature with you, a covenant  
for all generations to come."*

*Genesis 9:12*

The **Beacon Covenant** was formed because we are all part of God's family and we can all share in the role of nurturing, equipping and instructing the students at Beacon Christian Schools. Each student requires more than \$1000 per year in financial support above the tuition paid by their parents. Formerly Tuition Reduction was the name for helping meet the financial needs of Beacon above what tuition covered. Now the **Beacon Covenant** allows each of us to help make Christian Education a reality for a student, a family or a whole classroom. The vision for Christian Education in St. Catharines began over 50 years ago with parents who were seeking to provide Christ-centred education for their children. The goal was to establish a school that would last for generations and be a light to the community. Beacon Christian Schools has provided that opportunity for many students since 1959, and our graduates can be found in all areas of society using their gifts in service to God. The commitment of parents, grandparents and the surrounding community is what makes the gift of Christian Education something that everyone can share in.

*Please consider a gift today!*

*Beacon Christian Schools  
is a school community  
guided by the Word of God  
and committed to equipping students  
with knowledge and wisdom  
for service in God's world.*

# Ways You Can Help

## PRAYER...

The most important gift. Pray for the fulfillment of our needs through the growth of the **BEACON** Covenant

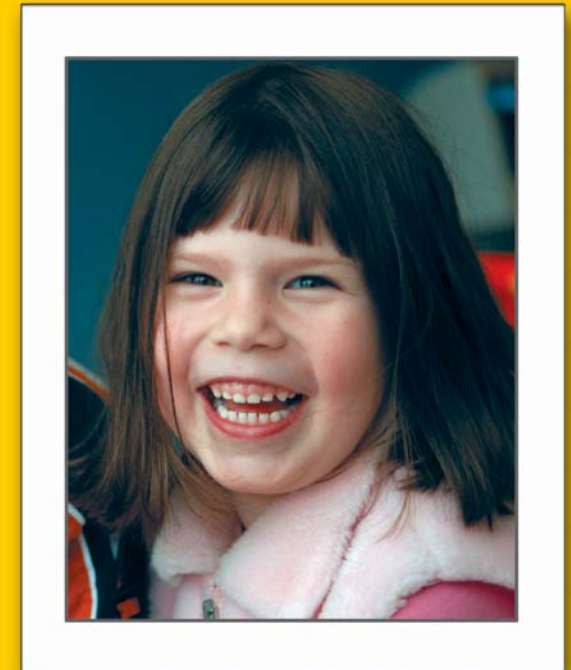

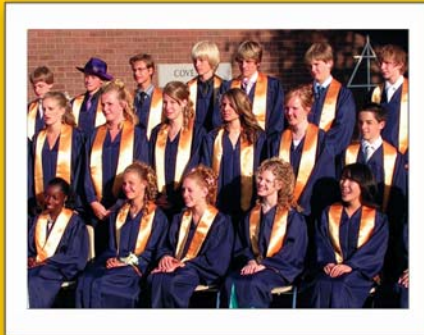

A gift of \$25,000 provides support for an average size classroom of students

A gift of \$10,000 provides support for a group of 10 students

A gift of \$3,000 provides support for an average size family at Beacon

A gift of \$1,000 provides support for a student

A gift of ANY size supports the vision of Beacon Christian Schools

*"Train up a child in the way he should go, and when he is old he will not depart from it."*

*Proverbs 22:6*
